

TECHNICAL DATA SHEET

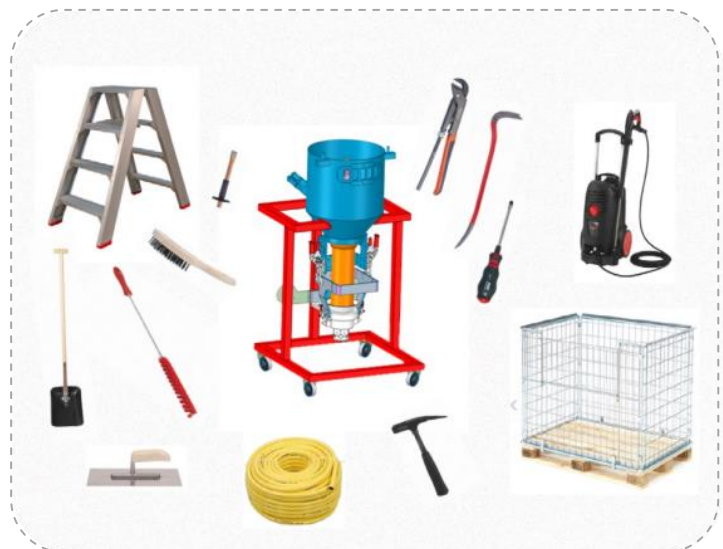

COBOD PRINTING KIT

Product name	COBOD Printing Kit
Compatibility	COBOD BOD2 3D Printer
Total number of items	44

The COBOD Printing Kit is an extensive set of essential tools, compiled to facilitate smooth print job execution. This kit provides all the equipment required to ensure an effortless printing procedure, including a mobile printhead stand, a professional shear vane tester, and a high-pressure cleaner to cater to different requirements. Additionally, the kit incorporates a range of tools such as spatulas, brushes, hammers, wrenches, buckets, shovels, water hoses, a ladder, a crowbar, Allen key set, screwdrivers, and chisels to cover diverse tasks.

Key Features:

- ▶ A complete collection of varied essential tools in one kit.
- ▶ Covers a diverse range of tasks associated with 3D printing.
- ▶ Ensures an effortless printing procedure by providing all the necessary equipment.

List of equipment	Specification	Quantity
Stirring basket	For mixing concrete slurry with power drill	1 pc
Printhead stand	Developed by Cobod for the BOD2 hopper	1 pc.
COBOD Shear-Vane-Tester	Professional instrument for investigating material properties	1 pc.
Gitterbox for tools	Storage container for tools	1 pc.
Stone chisel	Cutting tool with a sharpened edge to remove material	1 pc.
Different types of trowels	Spatulas for smoothing and removing material	3 pcs.
Crowbar	Handy crowbar (900mm)	1 pc.
Pipe wrench	65,0 mm bite size	1 pc.
Pump pliers	For turning & holding nuts & bolts	1 pc.
Carpenter hammer	To open/close concrete hose couplings	1 pc.
Sledgehammer	To remove hardened concrete	1 pc.
Rubber Hammer	To strike a surface without damaging it	1 pc.
Pipe and steel brush	For cleaning the machine	1 pc.
Buckets	(20 L) 5 pcs a pck, (90L) 3pcs a pck	8 pcs.
Slotted screwdriver laser tip	Slotter/flat-blade screwdriver	1 pc.
Hex Allen key set, 1-10mm	Fastening tool for bolts and screws	1 pc.
Spray nozzle	For water hose	1 pc.
High-pressure cleaner (160BAR)	To clean the hopper, extruder and couplings	1 pc.
Trestle	Small ladder	1 pc.
Shovel	2 pcs./pck	2 pcs.
Zip ties	Small, medium, large	1 pc.
30m Garden hose	Professional water hose	2 pcs.
GEKA/ Gardena	Coupling for the water hose professional	2 pcs.
Hose coupling	For coupling garden hose and nozzle	2 pcs.
Water hose clamps	Hose clamp	2 pcs.
COBOD Vane	Blade for vane	1 pc.
Dust masks	Cement dust respirators	1 pc.

Safety glasses	Protective glasses	2 pcs.
Safety helmets	Adjustable hard hat with chin strap	2 pcs.
Cargo board with wheels	To help transport heavy equipment	1 pc.
Different types of gloves (assembly, chemical resistant and nitrile)	General handling cat. 2, concrete/cement resistant, disposable rubber gloves	3 pck.
